

Circle Crab Craft

You need:

circle template printed on red paper
blue & yellow A4 paper
scissors
glue
black felt-tip pen

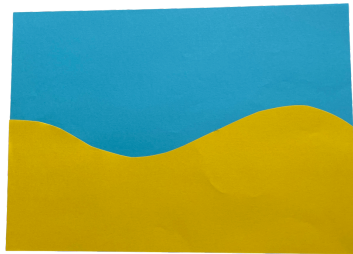

Step 1

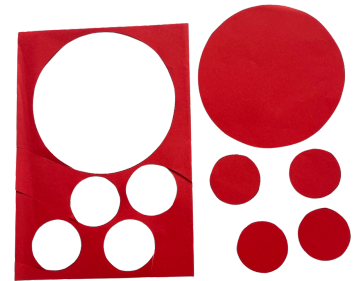

Cut the yellow paper in half in a wavy line to make the sand.

Step 2

Glue the sand onto the blue paper to create the seashore.

Step 3

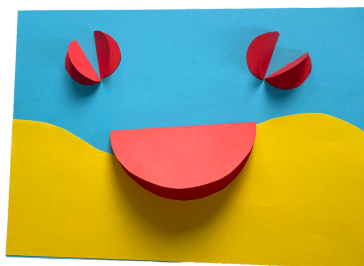

Cut out one big circle and four little ones.

Step 4

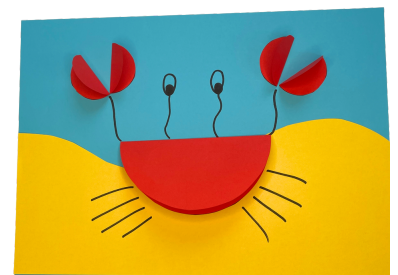

Fold the circles in half.

Step 5

The big circle is the shell.
The little circles are the pincers.
Stick them on the seashore.

Step 6

Use a black felt-tip pen to draw legs and eyes.

Optional

Write a message inside the shell.

The craft works well as a follow-up activity to this book. Look for the crabs as you read the story!
